ASSET - YOUR OPPORTUNITY FOR SUCCESS.

Now Shelton State Community College offers students entering for the first time the opportunity to improve their chance for success. We are introducing this year the ASSET Student Success System for two-year colleges, a student placement, advising and orientation program.

ASSET is not an entrance exam. Its purpose is to guide the students in the academic division of the college into the most appropriate courses. Areas such as math, English and reading will be included.

Contact one of our counselors to find out if you qualify for ASSET.

Admissions

It's easy to become part of the Shelton State family. No ACT or SAT test score is required for admission. All you need is a high school diploma or a GED.
